On this homepage, you will find the **complete [menu](#) of Benihana** from Edison. Currently, there are **12** dishes and drinks available. ****Dining at Benihana: A Mixed Bag of Experiences**** Benihana promises an interactive dining experience with vibrant teppanyaki-style cooking, where chefs showcase their skills at the table. Guests rave about the fresh, flavorful food, including standout chicken fried rice and an array of protein options. However, some reviews highlight a chaotic atmosphere with overcrowded seating, unclear menus, and varying service quality. What began as a lively celebration for many can quickly be soured by slow service, unexpected charges, and cleanliness issues. Despite these concerns, the restaurant's energetic vibe and exceptional chefs may still entice diners seeking a fun night out, especially for special occasions.
