Comprehensive Review Summary: A trendy restaurant with a steep entry fee, limited dance floor access, and mixed service quality. Prices for water and hot water with lemon were considered high. Despite issues, good quality food, efficient service, and excellent recommendations were highlighted. The location near Paris landmarks provided a lovely view, making it a must-visit for a satisfying meal. A positive experience was also noted for a weekday lunch, with bustling ambiance, fair prices, and friendly service. Overall, the restaurant offers unique and delicious dishes, exceptional service, and good value for money.
