Paris City Cafe offers a unique dining experience with two restaurants in one location - American/Italian fare at Paris City Cafe and Filipino cuisine at The Wooden Table. The ambiance is inviting with warm wood tones and elegant furniture. The Wooden Table stands out with delectable Filipino dishes and mouthwatering desserts. The two restaurants are connected, allowing guests to order from both menus. The service was slow and unprofessional at Paris City Cafe, with delayed dishes and unhelpful staff. However, The Wooden Table received high praise for its food and ambiance. Overall, the dining experience was a mix of disappointment and satisfaction.
